AMENDMENT

Sir:

In response to the fourth Office Action (third Office Action on the merits) dated November 4, 2002, please enter the following amendment in this Request For Continued Examination (RCE) application.

REMARKS

Original claims 1-6 remain pending in this RCE case.

Claims 1-5 are drawn to the elected method of treating a Th2-dominated disease in a human patient (claims 1, 4 and 5), inhibiting a pathogenic Th2 response in a human patient (claim 2), or stimulating the development of activated human T cells into Th1-like effectors in a human patient (claim 3).

Claim 6 is drawn to the non-elected method of regulating immune homeostasis during pregnancy in a human female patient.
